**69TH LEGISLATIVE DAY**

**Perfunctory Session**

**TUESDAY, NOVEMBER 12, 2019**

At the hour of 11:18 o'clock a.m., the House convened perfunctory session.

**HOUSE RESOLUTION**

The following resolution was offered and placed in the Committee on Rules.

**HOUSE RESOLUTION 603**

Offered by Representative Robinson:

WHEREAS, The Illinois Department of Public Health has determined that African American and Latinx at-risk populations are among the five demographics selected for funding beginning early 2019 in support of Community Development initiatives; it is imperative that the voices of those most imminently affected by this crucial health issue be heard before any funding is considered; and

WHEREAS, The most recent and available statistics place HIV disease as one of the top five leading causes of death in African American women between the ages of 35 to 44 and the seventh ranking cause in African American women between the ages of 20 to 34; and

WHEREAS, According to the Chicago Department of Public Health, this city's African Americans are afflicted with more than half of the newly diagnosed HIV and AIDS cases; non-Hispanic African Americans were the most frequently diagnosed population, representing 58.5% of new HIV diagnoses, 56.4% of AIDS diagnoses, and 55.2% of late diagnoses; and

WHEREAS, In 2016, the highest rates of new individual HIV infection diagnoses occurred in the predominantly African American neighborhoods of Douglas, Grand Boulevard, Kenwood, North Lawndale, Washington Park, and West Garfield Park; and

WHEREAS, It is imperative that action be taken to halt new HIV infections among these demonstrably at-risk African American men and women, which continue at an alarming rate that exceeds 80% while new cases of infections among the corresponding at-risk Caucasian demographic have dramatically decreased to a current rate of less than 20%; and

WHEREAS, Hispanics/Latinos recently accounted for about one quarter of all new diagnoses of HIV in the United States, despite representing about 18% of the total U.S. population; and

WHEREAS, More than 20% of people living with HIV in the City of Chicago identify as Latinx, with the highest risk and most marginalized subpopulations (injection drug users, sexual and gender minorities, etc.) exclusively depending on indigenous-led and staffed organizations for services; and

WHEREAS, Young men ages 20 to 29, especially Black and Latino men who have sexual contact with men, also continue to make up the majority of new diagnoses, while transgender women, particularly those of color, also are disproportionately affected; the City of Chicago stated that these populations, as well as Chicagoans in some southern, western, and northern community areas, continue to be "priority populations" for HIV prevention efforts; and

WHEREAS, Gay and bisexual men accounted for 85% (7,271) of the HIV diagnoses among Hispanic/Latino men in 2015, with indigenous-led organizations on the South and West sides of Chicago leading efforts for outreach and engagement with the highest risk individuals; and

WHEREAS, According to reporting by the Chicago Department of Public Health in 2016, gay, bisexual, and other men who have sex with men, particularly Latino men, bear a disproportionate burden of HIV; and

WHEREAS, Significant gaps in knowledge exist concerning HIV incidence and prevalence in the Latinx community, especially given the influx of evacuees into the city from Puerto Rico after Hurricane Maria; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we call upon the Director of the Illinois Department of Public Health to expeditiously participate in legislative public hearings, as well as hearings

within the communities so affected, in order to provide expert and public testimony concerning the amelioration of this disturbing and reversible public health threat; and be it further

RESOLVED, That we urge additional appropriations in State funding, along with any available federal dollars, to provide necessary preventative diagnostic and treatment services to mitigate the harmful effects of HIV among at-risk African American and Latinx populations; and be it further

RESOLVED, That a suitable copy of this resolution be delivered to the Director of the Illinois Department of Public Health.

## **RESIGNATIONS AND APPOINTMENTS**

October 31, 2019

Honorable Michael Madigan  
Speaker of the House of Representatives

Dear Speaker Madigan:

It has been a sincere honor and a true privilege to serve the people of the State of Illinois as its State Representative for the Third District. In doing so I took great pride in being a strong independent voice from my constituents.

I have made the decision that the time has come for me to retire from public service.

In doing so I wish that this opportunity to thank our Democratic Governor for doing what others before him could not do. Our Governor passed a budget, a 45 billion dollar capital bill, and managed to do so with the limited resources at his disposal.

I also wish to thank our Speaker for helping me bring member initiatives to my district and for the opportunity that he gave me to chair various committees during my tenure as a member of the House. I take great pride in the projects that I brought to my district and hope that the body honor the member initiative commitments that were made on behalf of the people of the third district.

To my fellow member in the House of Representatives, I wish to thank you for the collegiate atmosphere in which I always received. My respect for you is such that I have decided that continuing my public service would cause a distraction to the august body. But more importantly, it was my sincere desire to spare the members of this body from having to take such a difficult vote at a time when you are all running for reelection considering how well we have all worked together.

I would like to add that you should all keep in mind that public service should be for a duration of time wherein you are an effective member of the body. Once you have gone beyond your period of peak effectiveness, you should really call it a day and retire while you can still enjoy the later years in your life.

My retirement is effective at the close of business on Friday, November 1, 2019. This will create a vacancy that I trust the Committeeman of the Third State Representative District will fill as quickly as possible so that the people of the district continue to have a strong voice in our state capitol.

I wish my colleagues in Springfield well as they finish the work of 101<sup>st</sup> General Assembly and I Pray that God continue to bless the great State of Illinois

Sincerely

S/Luis Arroyo  
Luis Arroyo

#### HOUSE JOINT RESOLUTION 92

Offered by Representative Kifowit:

WHEREAS, S. 1573 of the 116th Congress, introduced by Sen. Tammy Duckworth, and its companion bill H.R. 3932, introduced by Cong. Lauren Underwood, would eliminate co-pays for preventive procedures and medication for patients treated through the Veterans Administration (VA); and

WHEREAS, Private insurance companies waive co-pays for preventive care because they realize that the amount they would spend on preventive care is far less than what they would have to spend on the treatment for preventable diseases; and

WHEREAS, When the VA instituted co-pays, it told veterans that co-pays actually benefited them because it would mean that the VA would have more money to spend on their treatment; this was an insult to the intelligence of veterans because no outside healthcare provider would ever insult the intelligence of its patients by telling them that paying or paying more for their care would be good for them; and

WHEREAS, Veterans should not be the only Americans who are required to make co-pays for preventive care; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that
